| XL   | 4.3-4.7 | 3.6-3.8 | 11.2-12   | 9-9.6   |

#### About this item

**SUPERIOR GRIP THANKS TO FOAM NITRILE COATING.** These level 5 cut resistant work gloves are latex free, extremely strong and protective, breathable, with waterproof palms and as close to non-slip as it gets.

**MADE TO LAST WITH UNIQUE REINFORCEMENT.** We reinforced the area between the thumb and forefinger so that your safety gloves for work last longer. This saves you on shopping for a new pair of waterproof work gloves too soon.

**CUT RESISTANT AND EXTREMELY DEXTEROUS.** These mens work gloves are level 5 cut resistant — they're 4X stronger than leather. The tough but thin fabric makes these grip gloves perfect for work that requires high levels of dexterity.

**LIGHT, COMFORTABLE AND BREATHABLE.** These working gloves for men are so snug and comfortable, you'll forget you have these cut gloves on. They come in five sizes — making them perfect construction work gloves for men and women.

**VERSATILE WORK GLOVES WITH GRIP AND TOUCHSCREEN FINGERS.** They're great as fishing or grip gloves for men, for hvac, construction site, metal work, warehouse or mechanics. Or for the carpenter or handyman looking for a new pair of utility gloves.
